CEC

WINTER 2026 ATHLETICS PROGRAM

Christian Educational Consortium (CEC) is a hybrid, Christian school offering collegiate style academics for home-educated students in grades 6-12. CEC’s unique model offers rigorous academics alongside comprehensive extracurricular programs including competitive sports.

Academics are our number one priority but we believe that successes on the playing field carry to the classroom and vice versa. More importantly, both are necessary as we strive to prepare students to become successful, contributing citizens in a highly competitive society. Currently, we compete in 10 sports against local public and private schools as well as homeschool teams.

WINTER/SPRING SPORTS UPDATE

BRYCE RALEY, CEC ATHLETIC DIRECTOR

We recapped the first half of the year and the fall sports in our December Digital Sports program. Now it's time to take a look back at the 2nd half of the year, which includes 8 of our 12 sports programs in 2025-2026. We'll also be printing a physical program before school starts including both the winter and summer editions.

First up the swim team completed another solid season. The team consistently set personal records during practices at Genesis Blairwood and meets around the region. The season

consisted of several local meets Central High School, one which included

literal dumpster fire. That one will be hard to forget. Aside from a meet cancelled at Shelby County due to pool issues, most of the events went off without a hitch.

Coach Brandon McGrew does a great job pouring into our swimmers and preparing them for competition. He's grown the program over the last several years since its inception, and he's always looking for new swimmers to join the team.

The team celebrated 3 seniors in a joint Senior night with Whitefield Academy, KCD and Louisville Collegiate. The swim team sported new caps and shirts this season

The boys and girls basketball teams wrapped up their seasons in mid March. After beginning back in late September with tryouts, both teams finished well with multiple wins to close out

Nationals in Gatlinburg. The girls finished 1st in the Gold bracket of Division 2 and the boys won their consolation bracket. The girls also placed 2nd in Division 2 at Regionals while the boys JV (16U) squad placed 2nd in Division 3.

The team played home games, including Senior night at Victory Baptist Church again. The teams celebrated 7 total seniors between the programs. Coach Gina Renfro celebrated her 100th boys basketball victory with CEC during the season and announced her retirement late in the year at the banquet. We thank Coach Gina for her many years of service and for building a great foundation for CEC basketball.

The girls had key wins over Western, Shawnee, Doss, Southern and a big rivalry win over Bluegrass United 41-29. The team nearly pulled off upsets against Holy Cross and CAL as well. Senior Jenna Wyndham came oh so close to eclipsing the 2000 point threshold in her CEC career. Jenna is going on to play college basketball at Welch College in Tennessee. The girls have a few contributors back from last season, along with several incoming transfers. They will be led by new Head Coach Shawn Mattingly, who has years of coaching experience along with being a former AD at Beth Haven.

The boys had a win over HLS in buzzer beater fashion, and also picked up solid wins against Doss, Shawnee, Brown, Evansville and rival Bluegrass United. The boys return most of last year's squad and will be under the direction of new Head Coach Steve Moore, who has served as an assistant the past few seasons.

The archery team completed the longest of our sports seasons in May with their best showing ever at Nationals.

The team hosted its largest tournament ever, with most of the top archery teams in the area competing. It was a great fundraiser and we placed near the top in all divisions of our Festival of Flights tournament. The team had top finishes in several other events and had a great showing at State to qualify them for Nationals.

The team qualified multiple teams in bullseye in High School and Middle School and one team in 3D. The archery team consisted of upwards of 60 student athletes who practiced weekly from October until May. The team qualified for World's but did not have enough archers who could make the week long trip to Florida in June.

The team did lose 12 seniors and a few other archers who have focused on other sports, but they have a strong cast returning for next season. Coach Todd Ulery will be entering his 2nd full year at the helm and has a strong support team in place to help lead the archery program forward. Archery celebrated Paige White and Saoirse Palmer both signing with Midway College last winter. The team had their first full season practicing at MidAmerica Watterson Trail which has been a real blessing after leaving Tom Sawyer the previous year. The team also hosts optional practices at Ops Supply in Simpsonville.

at
of
a

The Track team has another solid season with just under 40 athletes competing and representing CEC at some of the biggest meets in the area.

The team practiced at Ballard High school and competed in events at Eastern, St. X, Ballard, North Oldham,

Shelby County, and Male along with Middle School meets at Sacred Heart and Bullitt East to name a few.

Coach Gina has grown the program significantly the last two seasons, with many big moments for our athletes. Coach Gina's daughter Jade set the state record for the 400 meter during the season and was featured on local media at the time. She is moving on to compete at the highest level after signing with the University of Kentucky this past fall.

Coach Gina also retired from Coaching Track and a search has begun to find our new Track Coach for the 2027 campaign. The track team said farewell to 5 seniors this season but have a lot of talented underclassmen returning.

The baseball team is led by veteran coach Scott Dibble. Coach Dibble is our longest tenured coach and had an amazing season this spring. The baseball team got their biggest signature win to date with a 13-3 win over Eastern high school at Skyview Park. The team also knocked off Shelby County twice, Fern Creek, Fairdale, Henry County, HLS, and Atherton.

The team continued to practice at LBC this winter and Skyview park hosted practices and games this spring. The middle school team had a successful year as well going 17-13 while the JV team was 11-4. The talent is deep at CEC and the program continues to grow each year!

The varsity won their conference championship with a big win over rival LKY and finished 3rd in the World Series in Indy.

The team had record statistics with hitting and pitching.. The team said goodbye to 7 seniors on an amazing Senior night. Also the team had 3 players sign to play in college, Terrell Heick, Josh Geddes and Matthew Wattenberger.

On a sad note, the team said goodbye at their banquet to longtime fixture, assistant coach Bill Ellis. We thank Coach Bill for his many years of service and pray for his future ministry work overseas. He will be missed!

The softball team led by yours truly, Coach Bryce, completed its 5th season this spring. The team really leveled up their schedule again this year yet still finished a respectable 18-12. The team shifted its home field to Jtown High School from Eastern High School this season. The field felt more like a true home field as we played 8 home games, hosted our own tournament and senior night. We also managed to practice 8-10 times including multiple in season practices. The team spent the winter practicing in LBC alongside the baseball team. The team plans to return to Jtown in 2027 and the field is getting new lights installed.

The softball team won the Shelby County Slam and Louisville Christian invitational tournament for a 2nd straight year.

The team returns 6 starters and many key reserves along with an influx of new young middle school players and a few transfers. The softball team hosted their first camp since year one and had 27 campers attend the two-day event.

The Tennis team led by Coach Scott Gilmour, played matches against big KHSAA opponents from mid March to early May. They had 16 total students participating.

The team improved throughout the season, while practicing and playing home matches at Waggener High School. The team gets together in the winter at Louisville Racquet Club and even does some optional work at Douglas Hills in the offseason.

The team lined up against KCD, Collins, CAL, Portland Christian, Walden, Eastern, Brown, Trinity, St. X and several top teams this spring.. The tennis team celebrated two seniors at this year's banquet and has a great group of young returning players coming back.

SEASON WRAP-UP

The 25-26 season was a tremendous success for our program, characterized by resiliency and growth as archers and team members. After the loss of beloved coach, Jeremy Moremen, last summer, the 57 archers from this year's team united for a season that included record breaking performances that we hope honor the dedication and spirit that he brought to the program.

The team was busy, competing in 21 tournaments across both Bullseye and 3D, including the River City 3-D series. In December, we hosted the largest tournament in school history, Festival of Flights, at MidAmerica, with teams from across the region competing in bullseye and 3D. Both middle and high school teams again successfully qualified for State, National, and World Championships.

There were both team and individual performance highlights this season as well. The high school team reached a major milestone by breaking the school record in bullseye at Nationals with an impressive score of 3309. The high school team secured 1st place in their division at the Eminence Warriors 10m Fun Shoot, the Festival of Flights (Bullseye), and the Atherton Cupid Shoot. The Middle School team consistently placed in top half of their division in both bullseye and 3D.

Among our standout individual performances, Jorja Gilleo set a new school record in 3D with a score of 285, and Isabella Gilleo earned a belt buckle for her accomplishments in the Middle School River City 3D series. Countless archers set a personal high score this season and many 50s shot in both tournaments and practice sessions! In addition, the program celebrated two team members, Paige White and Saoirse Palmer, committing to compete at the college level with Midway University's archery program. We have an amazing group of seniors who are going to be missed next year!

It has been an incredible year of hard work, and we are so proud of everything our archers have accomplished in memory of Coach Moremen who meant so much to us.

CORNERSTONE

INSURANCE AGENCY

(502) 785-9808

SERVING YOUR COMMUNITY

Here at Cornerstone, community is important. When it comes to insurance, families need access to knowledge, resources, quality solutions, and competitive rates. Those things can sometimes be difficult to find in one place. We strive to be that resource for our community. Insurance is important, but we feel it is best served with experience, trust, and service.

David Phillips (owner), Randy Runner, Roxi Burns, John Cullinane

Home & Auto: Quality Coverage Without Breaking the Bank

John Cullinane is our office manager and primary Home and Auto agent. When you call with a question or to get a quote, John's twenty-seven years of experience really show. With access to fifteen home and auto companies, we have got you covered, ensuring you find competitive rates AND the right coverage for your needs.

Commerical Insurance and Group Benefits

Whether you are just opening your business or have many years under your belt, the right insurance is essential. Roxi Burns' care for her clients shows as she every part of your business is covered. From contractors to restaurants to financial professionals, we have a portfolio to suit your needs.

If employee recruiting and retention is your goal, Roxi can also provide excellent options for both Group Health and Supplement benefits.

Medicare and Individual Health Insurance

Randy Runner has proven himself to be a top-notch health insurance representative. As a preferred agent on KYNECT, Kentucky's health insurance marketplace, as well as an experienced Medicare health insurance advisor, Randy's clients consistently write our office about their amazing experiences with him.

Whether you are self-employed, exploring your Medicare options, or just need to see what is available to you and your family, Randy is the right agent for the job.

SEASON WRAP-UP

BY COACH KENDALL

The 2025-26 boys basketball season was one that saw a team of young men display growth, development, and overcome the departure of 4 starters from last season. The team took a trip to Indianapolis in November to play at Gainbridge Fieldhouse and enjoy a Pacers game. We returned to Indianapolis in February for regionals, and capped off the season with a strong showing in Gatlinburg, TN at Homeschool Nationals. This group of young men was very receptive to adjustments, offensive and defensive changes, and took an active role in improving their game every single day. Most importantly, these young men honored the Lord in their work and forged lasting bonds with one another. The departing seniors of 2026 truly left it better than they found it.

On the court, the Cougars returned 2 seniors from the 2024-25 squad in guards Chase Williams and Jaxon Cockerel. Senior Brennan Blaine also joined the squad for the 2026 season, bringing our senior class total to 3. This season was no exception to the usual challenging schedule, as the Cougars had a demanding KHSAA slate that featured the likes of Larue County, North Bullitt, HLS, Holy Cross, Doss, Shawnee, Whitefield, Western, Brown, Southern, and Butler - most of those on the road. With a much younger lineup than previous years, the Cougars were able to knock off HLS in an absolute thriller, as well as Shawnee, Brown, and Doss. In the Doss victory, the Cougars secured coach Gina Renfro's 100th boys varsity victory at CEC and honored her with a ball signed by the whole team at the next game.

We also played our usual conference slate in the ORHC, and took great pride in a huge 53-36 win over rival Bluegrass United at home in January. In ORHC tournament play in Evansville, the Cougars finished 3rd overall after a narrow one point defeat to rival LKY. Senior Chase Williams was voted First Team All-Conference while juniors Kaden Kendall and Caleb Moore were voted Second Team All-Conference. Senior Jaxon Cockerel earned honorable mention All-Conference honors.

The boys fared well at Homeschool Nationals in Gatlinburg, and responded very well to adversity in doing so. After two narrow defeats in pool play and a loss to the eventual overall champion, the Cougars found themselves in the first consolation bracket. Determined to go out on a winning note, they finished the season with back to back wins over the Knoxville Ambassadors(TN) and the Loudon County Patriots(VA) to take the victory in the consolation bracket.

We thank Chase, Jaxon, and Brennan for their effort and contributions to CEC basketball and wish them the very best in their next steps in their journey.

It should also be noted that Chase and Jaxon have essentially grown up in this program - Jaxon since 6th grade and Chase since 8th. These young men have helped elevate CEC basketball to where it is today and had a hand in leading the Cougars to multiple conference and regional titles through the years at all age levels.

At the conclusion of the season, Coach Gina Renfro announced her retirement from coaching basketball here at CEC. Coach has been there every step of the way for these boys, and she has left her mark on their lives in their development as basketball players and as young men. The players, families, and coaches are forever grateful to Coach Renfro for her leadership and friendship over the years. Coach - you left it much better than you found it, you brought the true spirit of high school basketball to CEC, and you made memories that will last a lifetime.

SEASON WRAP-UP

BY COACH TIM ALUMBAUGH

The 2025-2026 CEC Girl's Varsity Basketball team finished their season with a new banner to hang. Overall, the Lady Cougars ended the year with a 19-15 record, their best finish since the 2022-2023 season. The season was highlighted by the end of year Homeschool Classic National Championship in Gatlinburg which saw the girls bring home the Mt. LeConte 18U Gold Division Championship.

In a hard-fought regular season, the Lady Cougars posted a winning record in their games against 11 KHSAA public schools including Larue County, Doss, Shawnee, and Waggener. While those wins stood out, the biggest regular season victory came against the Bluegrass United Bluehawks, a fellow homeschool team that the Lady Cougars had not beaten since 2022.

This year's varsity team was well balanced with 11 different players recording points. Senior Jenna Wyndam was joined by eight graders Michaela Williams and Ava Collard as the team's leading scorers. All three averaged double-digit points per game to help lead the successful season. On the defensive side of the ball, senior Sophie Hales led the team with 59 steals and was often called upon to shut down the opposing team's best player.

The season ended with the Lady Cougars improving in each of their final three tournaments. The girls fell in the first round of the Ohio River Homeschool tournament and had to settle for third place. The Lady Cougars then finished second in the National Christian Homeschool Midwest Regional championships with their only loss coming in the championship game. Finally, in their last tournament of the year, the team clicked when it mattered most. After falling behind by nine points in the second half, the Lady Cougars locked down the South Charlotte Thunder, holding them to single digits in the fourth quarter. The shut down defense and key plays on offense allowed CEC to pull off the 37-33 banner clinching win.

Jenna Wyndham finished her CEC career with 1,992 points and a place on the Ohio River Homeschool first team All-Conference. Michaela Williams joined her on the first team with Ava Collard being named as an honorable mention. Sophie Hales and Jewel Cockerell made the All-Defensive team.

It was a long, tough season that ended on a high note with the National Tournament Championship. Seniors Jenna Wyndham, Sophia Hales, Jewel Cockerell, and Ruth Guy will be missed but most of all the program will miss Coach Gina Renfro, who announced her retirement after being with the team since 2020. We thank her for the foundation she created and for the potential young talent she has developed for the upcoming seasons.

SEASON WRAP-UP

BY COACH BRANDON MCGREW

The third season of CEC Swimming was defined by a culture of quiet dedication and the “CEC Calling Card” of loud, universal support. While the record board saw significant changes, the true foundation of our success remained a commitment to representing our Savior, ourselves, our families, and our school with humility and embracing the daily grind with integrity.

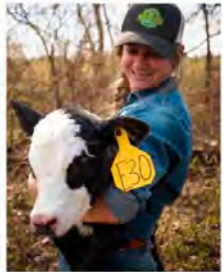

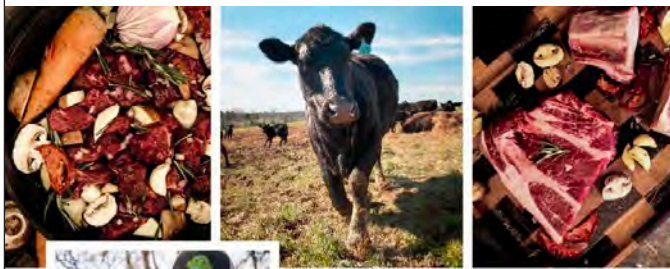

This year, we celebrate the impact of Kashton, Aiden, and Paige, three seniors whose remarkable work ethic, hunger for growth, and resilient leadership have fundamentally shaped the heart of this program. Their example in and out of the water has set an enduring standard for every swimmer who follows.

This shared commitment to work translated into historic results. The team secured two combined team victories which included a 1st place sweep of both the men and the women at Central High School Yellowjacket Invite #3. This was a landmark first-ever win for our women’s team. The men went on to win 3 more meets highlighted by a four-way victory at the Collegiate Invitational. This collective momentum was felt by everyone; every single swimmer on the roster achieved personal bests in at least two events.

As a testament to the depth of this group, the season concluded with 21 new school records. In a rare feat of program-wide excellence, this included a total sweep of every relay record—200 Medley, 200 Free, and 400 Free—for both the boys and the girls. These times are a permanent reflection of the hours spent training and the success of our January peak.

As a coach, I am most proud of how we have grown as a community. We have proven that when you build a foundation of character and mutual support, the results in the water take care of themselves.

COLLEGE SIGNINGS

In February we had our second signing day of the year, and we recognized and celebrated Jaelyn Kemper, soccer at Berea College, Paige White and Saoirse Palmer, archery at Midway and Mayson Raley, softball at Taylor University.

We got back together again in the Spring in April to acknowledge baseball players Matthew Wattenberger, baseball Georgetown College and Terrell Heick, baseball at Wabash Valley Junior College. We also snuck one more in at the baseball banquet when Josh Geddes, signed to play baseball at Spalding College.

All in all we had 13 college signings this 2025-2026 year, after having 4 the previous spring of 2025. What an amazing accomplishment CEC academics and athletics!

FCA

FCA this winter and spring continued with strong attendance averaging 60-80 students at sessions featuring AG Gibson, soccer player at UofL, Sean Green, former MLB pitcher, and Taylor Morgan, former Campbellsville track star. We also heard testimonies from several students at monthly huddles.

Many thanks to Michael Collins, my co-sponsor this year and Kim Wigginton, our awesome FCA representative! We have around 30 of our students attend the FCA summer camp in June again this year.

Next year we're excited to fill up a bigger room as we're moving down to the first floor orientation rooms! Woohoo!

SPONSORSHIP DIRECTORY

A special thank you to our CEC Athletics Sponsors!

We are incredibly grateful for the generous sponsors who support CEC sports and athletes. Their commitment allows us to provide the best possible experience for our players and families.

CEC Families - Please take a moment to look through the directory below. We encourage you to patronize these local businesses whenever possible. When you visit, please let them know you're with Christian Educational Consortium Sports — your patronage is the best way to thank them for their dedication to our community.

SUPPORT CEC ATHLETICS

A Special Invite for our School Families

Our program is more than just a scoreboard; it's a community built by the families in our school and stands. We know that many of you run the local businesses, and we want to partner with you to grow while you support our athletes.

WHY SPONSOR CEC SPORTS?

BROAD REGIONAL REACH

We serve over 640 students and 400+ families traveling from 10 different counties across the region.

- **TARGETED BRAND VISIBILITY**

600+ students, 3300+ combined social media following, 350 student athletes, regional games/events/tournaments and more.

- **COMMUNITY GOODWILL**

Come alongside CEC in the goal of developing hard-working, Christian young men and women.

- **DIRECT IMPACT ON STUDENTS & FAMILIES**

You are providing essential resources for student athletes and removing financial barriers that allow more athletes to participate.

- **TAX BENEFITS**

All sponsorships are tax-deductible.

HOW YOUR SPONSORSHIP WILL HELP

Practice & game facility rental fees, game/meet/tournament entry fees, team equipment, uniform costs, travel expenses, operational and administrative costs.

NEXT STEPS

We have several flexible sponsorship tiers designed to meet various marketing goals and budgets. Sponsorship tiers are outlined on the next page. Feel free to contact a member of CEC Athletic Department for more information as well.
